# A Message From Kenny, King Mighty Flighty

“It was the best of times, it was the worst of times” with a drum roll for the tumbril.

A feeling of relief along with the question, what have I really done? I called Bonnie to ask her how it felt to be former King. Do you feel you are not in the center anymore?

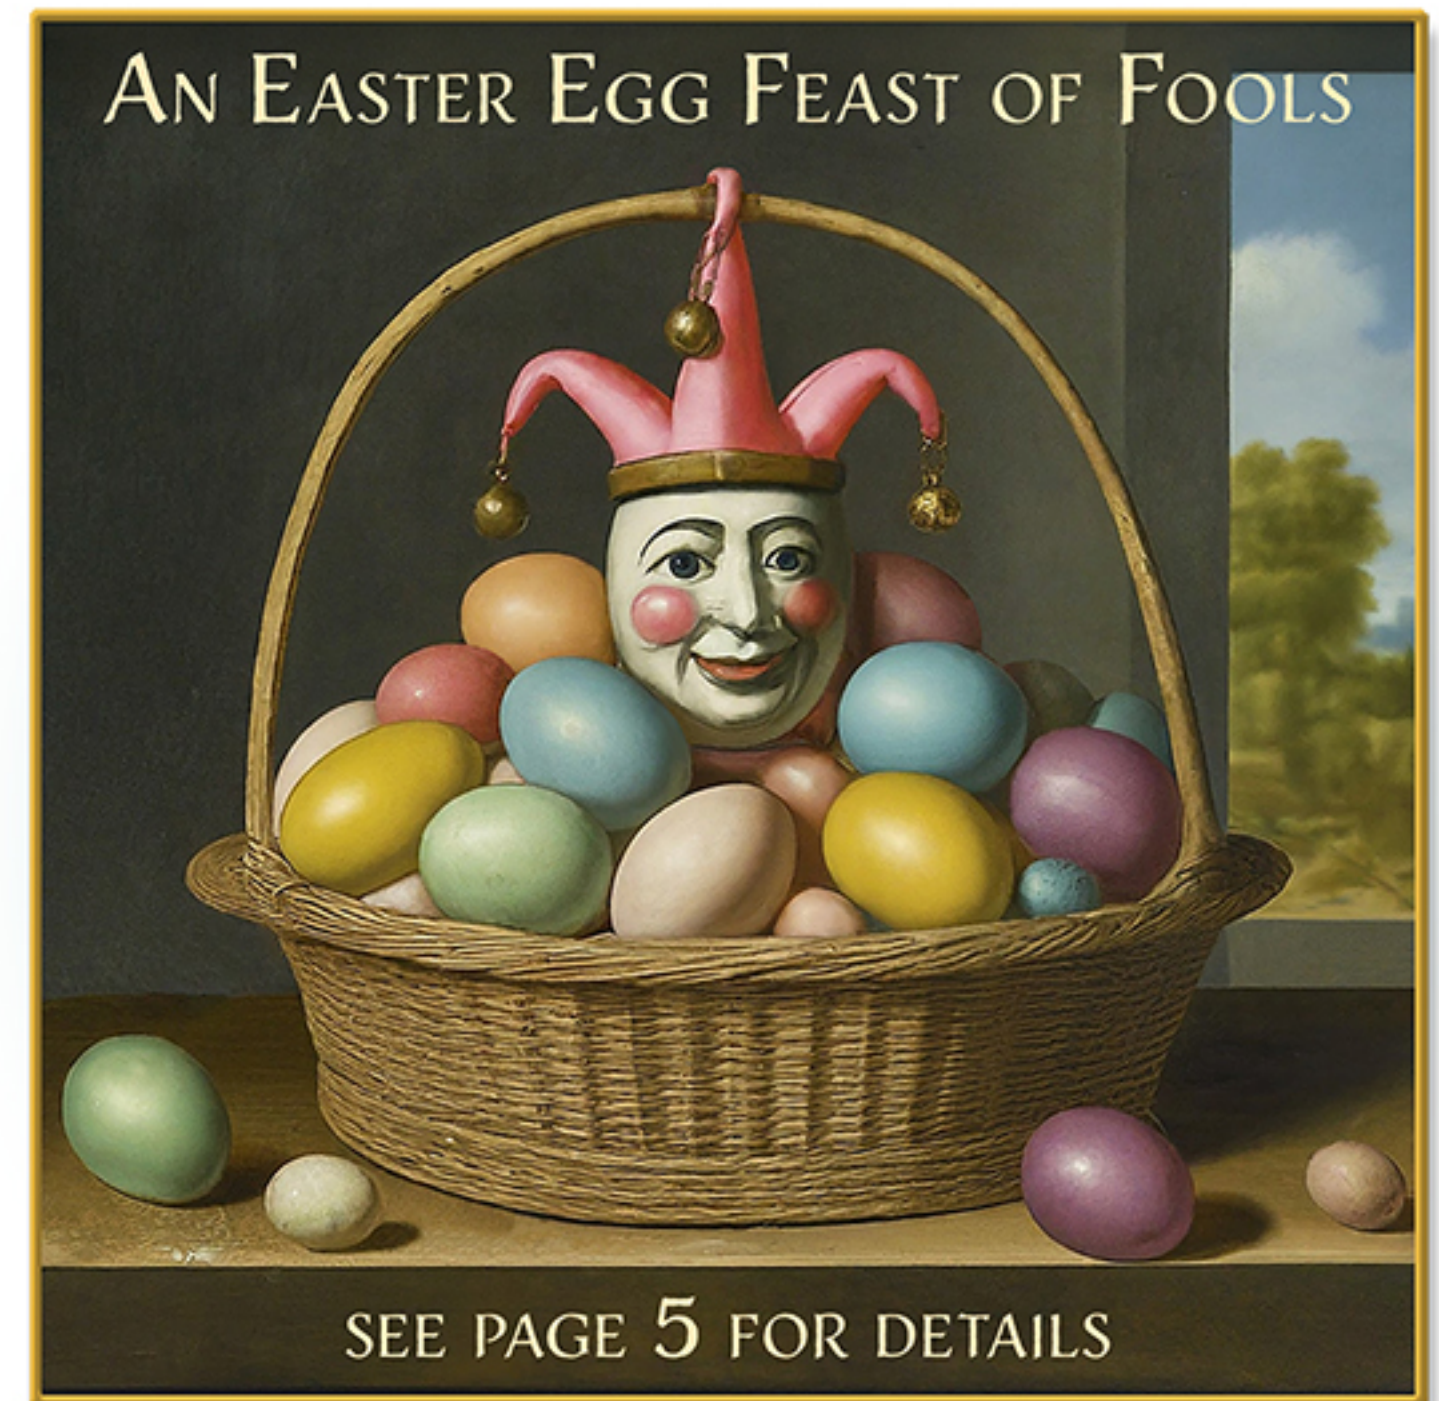

Heidi called me a lame duck but I still have another opportunity to create a gathering and make some noise with the Egg Party.

Since that fateful day I was discovered in a space suit at the Renaissance Faire it has been an otherworldly experience.

Support of my loyal subjects made it feel like everything was falling into place. It is a fertile group! I have a long list of thank yous. It's been such a blessing and beautiful things just happened. Rover and Cal are a constant inspiration and funghis, they should be in the mushroom club! They made the amazing Orange Party magically come together. Catherine St Claire, Mother Mom Cat, and her amazing roves. May I say she lives it well! Russell Frazier, Sir Pixelot, and his fine work on The Joker. Apologies to JJ Moore for the nude photos she had to put up with to create her first-rate cartoons. Thank you to Justeen, Devon Gregory, and Danny Garland but there were so many more helping. Early on had an amazing visit with Jim Kelly and Richard Beard. Heidi Barthelemy has showered me with inspiration and pants! Jim and Jennifer continue to assist and inspire through Greenman Florals at a variety of Faires. Robear continues to create in our realm of Fools and Faire

My message for the masses of Fools: It has been a beautiful reign but all goblets eventually run dry.

King Mighty Flighty,  
*Kenny*

**Making Love**  
 On February 3 Mom Cat Catherine St. Claire held her annual love-in at The Mayflower, gathering Fools and friends to create Valentines. Festive sundries abounded - crayons, doilies, red paper and sparkling hearts galore - and all fell to with enthusiasm constructing untold amatory epistles. Gracious Mom Cat fueled our amorous outreach with finger-sandwiches and a dizzying array of her signature sweets, served and overseen by the stalwart Jerry FitzGerald.

What made the farmer call the exorcist?  
He found deviled eggs.

Knock Knock!  
Who's there?  
Orange.  
Orange who?  
Orange you glad we had a Mighty Flighty party last July?

Last night I dreamt I was swimming in orange soda, but it turned out to be a Fanta sea.

# The Great Dickens Christmas Fair & Victorian Holiday Party

November-December 2023

King Mighty Flighty (aka Kenny Elvin) did an amazing bird show, Quarter Master (resplendent with Kings) thrilled us, Laura Gregory lead the suffragettes, and Heidi Barthelemy welcomed us to her booth. Jeffrey and Kimbell lead us through London, and Bonnie Morgan (King Cock'n'Bells) looked marvelous. Paula joined in full regalia from her new home in Northern California, Flaneurs Danny Garland and Jim Kelly brightened the streets of London.

- Justeen Ward

To Lupin by Mighty invited,  
 Sans clothing all day we delighted.  
 First yoga then poolside sun-bathers,  
 His show featured talons and fea-thers.  
 To top it four jesters he knighted!
