

THE JOKER

Volume XXX IV © <http://foolsguild.org> BoDacious SpoonFool

Every human shares aspects of the Fool (should we care to admit it) and today we celebrate that spirit in this exuberant parade culminating with the crowning of next year's King Of Fools. King Bo is the latest in a Faire tradition spanning decades, an unbroken line of frivolity and mirth and now you are a part of it.

Throughout the year The Fools Guild holds revels and hosts parties with themes that encourage costume and inspire creativity. All are welcome to bring their talents to help plan and mount parties, so check us out online and send

SURPRISE INSIDE

Our New King

BoDacious SpoonFool was elected by a quorum of Ex-Rexes and their adjunct Mothers of Folly. His goals include finding fabulous frolicsome foolery for all to enjoy!

King Bo's pastimes include savory meals for the masses, and sharing skills acquired in part as 1st Prop Master RPF N&S (Hobby Horses, Giants, Kissing Bridge, Gypsy Rope).

. He was a sword-swallower, and more at the Faire. Retiring as Design Director in '87, He was responsible for 5 Departments; Signs, Sets, Canopies, Props and Costumes.

King Bo' was the Lead Docent as a "Featured Relic" in the beloved 50th year Museum

King Bo' now "show-doctors" heroic spectacles and nuanced immersive experiences, in air, on the ground, and under water.
