## Invitation to Folly –

You are hereby invited to peruse and enjoy The Joker, but be forewarned that reading this very invitation now qualifies you as a Fool!

“Who, Me?” You might say. “Yes, You!” Comes the inevitable rejoinder. If you enjoy a good laugh, if you’re willing to be the butt of a joke, if you don a costume whenever possible, if telling the truth to power tickles your funny-bone, if you’re inspired to sing and dance when nobody else hears the music, or even if none of the above applies to you,

You are most definitely a Fool. (As is everyone to some extent, but some of us are not loath to admit it.) Now that we have that settled, we bid you again welcome and invite you to fascinating fêtes and foolish frolics!

This is the Internet, so of course it costs nothing to enjoy The Joker, the foolish fruit of our labors. We’ve even formatted it so you may print and peruse it at your leisure

# Kings Corner

“Ya Know, Ive been thinking...”

Stardate: February 24, 2019

As I find myself embarking on this, the last stretch of my tenure as Your King, (Heads up, a new Sheriff is coming to town!) I find myself mulling on some themes. Let's explore them! Life! (Nah, too broad). Death! (Nah, inevitable and overdone). Gratitude! (YES! That's the ticket!)

First and foremost I'd be a total Heel if I didn't give some Massive Props to Catherine StClaire, The Mother Folly with the Mostest! She's done a rove to the beach! She's done a rove to the Magnificent King Kneezapart's house to witness his magical Christmas puppet show! She's thrown a Rove to make Valentines and have cocktails for Pete's Sake! And! Supported me in my en endeavors as if they were her own. I humbly bow before a GREAT and AWESOME Foole! I am forever in your debt, Dearest Catherine.

Also, Huge Thanks and Well Done! To Deborah Miriaam Cohen for, quite spontaneously throwing a New Years Eve Party while I was with family in Nebraska. AMAZING! I'm sorry I missed it!

Then there's the Royal Butinski! My Official Security Blanket! My Princess of Prudence! Sir Michael Kimber, ever pushing forward! Caitlin, My Dutchess of Social Media! Our Good St Joan of Perpetual Storage, and King Bodacious Spoonfull who manages all our stuff! There's the official Poet Laureate-Frivolous Rex, the Royal Poster Boy Russell, and none of you would be reading this at all without the efforts of the Mysterious and Mindfull, Tom Rachal, who heads up putting this little news letter together!

New Fooles, Old Fooles, and Fooles who've helped and guided me in so many ways. I HUMBLY THANK YOU ALL!

I am Amazed by us! I tell family and friends about us and they glaze over in disbelief and incomprehension at,...the sheer audacity of what we do? ...Our Embrace of the Wacky and Whimsical? Don't know... Don't care! Poor them...Rich us!

We are Fooles!

# Joanie, oh Joanie!

Frankenstein and Beans

I wonder if Joanie can come out to play?  
 To dance in the sunshine absorbing each ray,  
 Becoming as one with the sky and the sea,  
 Blossoming, blooming, fragrant and free,  
 Eager to see all the beauty surrounding,  
 Defying convention, her critics confounding,  
 In gowns made of gossamer, moonlight and air,  
 In shades of the starlight that matches her hair,  
 Dancing for decades in dervish delight  
 Then trying on turbans far into the night.  
 Joanie, oh Joanie! I hope you'll agree  
 To forget all your woes. Come frolic with me.
